

## **ENDICOTT PARK**

### **PARK HISTORY**

This land was purchased from the Terminal Railroad Company in 1961 with 1955 Bond Issue funds and the shelter was constructed shortly after. No deed restrictions exist. Management of the park was turned over to the City of St. John for a few years in the 1990s but then returned to the County.

The playground, shelter, and restroom were renovated in 2001 using funds from St. Louis County's metropolitan park funds.
