

St. Louis County Municipal Court
Administrative Order

It is hereby ordered that any Motion for Continuance filed by a party that would result in the continuance of a trial setting shall require an in-person court appearance by the filing party or counsel, if represented. A request to suspend this order for emergency purposes may be requested but such request shall not be assumed to be granted by the court. The court's clerk shall track Motions for Continuance in the manner provided by the court's case management system.

SO ORDERED:

Administrative Judge Daniel R. Brown
